

Attention Kennies Gas Program Participants

Kennie's Markets regrets to announce that our Gas Rewards Program will not continue as planned!

Sunoco has recently changed their register and pump software which will not allow us to communicate correctly with their systems. Due to the short notice and technical difficulties which are beyond our immediate control, we regretfully will no longer offer a gas program with Sunoco.

We will announce details about any future Gas Program as soon as they are available!

Thank You for Shopping at Kennies Market
