For more information about Pennsylvania's vaccination plan please visit the Pennsylvania department of health's website at:

<https://www.health.pa.gov/topics/disease/coronavirus/Vaccine/Pages/Vaccine.aspx>

Vaccine Safety

The vaccine has been through a rigorous process before being approved as safe and effective by the Food and Drug Administration (FDA). There is confidence within the medical community that an effective vaccine will help slow the spread and aid us all in turning the corner in the pandemic.

For a deeper dive on vaccine information, we recommend reading the information provided by Johns Hopkins University and Medical at:
